Systems Analyst specialized in Angular front-end development for the financial sector, with over 6 years of experience on projects for Banco do Brasil, Bradesco and Banco Safra through the consulting firms Capgemini, Everis/NTT DATA and ACT Digital. Technical reference for several systems at Banco Safra, providing technical leadership to the development team through code review, documentation and support for junior, mid-level and senior developers. Deep Angular expertise from AngularJS to modern versions (standalone components and signals), with experience in AngularJS-to-Angular migration, performance optimization and automated testing with Jest and Karma.

Core Competencies

- **Angular**: from AngularJS to modern versions, including standalone components and signals.
- **Front-end**: TypeScript, JavaScript, HTML, CSS/SASS.
- **Technical leadership**: technical reference for several systems, technical guidance of the team, code review and support for junior, mid-level and senior developers.
- **Front-end performance**: page load optimization (from 10 s to 600 ms).
- **Automated testing**: Jest, Karma, Jasmine.
- **Documentation and architecture**: technical project documentation, technical analysis and solution architecture analysis.
- **Tools and continuous integration**: Git, Jenkins (CI/CD).
- **Agile methodologies**: Scrum and Kanban, in cross-functional teams.

Professional Experience

ACT Digital – client Banco Safra — **Brasília, DF**
Systems Analyst — *07/2021–Present*

- Technical reference for several internal systems for card payment terminals and bank account settlement (domicílio bancário), providing technical leadership to a team of junior, mid-level and senior developers.
- Develop and evolve web applications with Angular, TypeScript, JavaScript, HTML and CSS, with unit tests in Jest and Karma.
- Perform code review and technical documentation and mentor less experienced developers, in teams of 3 front-end and 3 back-end developers using Scrum and Kanban.

Everis Brasil / NTT DATA – client Bradesco — **Brasília, DF**
Systems Analyst — *04/2021–07/2021*

- Developed features for the Open Finance module of the Bradesco app with Angular, TypeScript, JavaScript, HTML and CSS.
- Implemented new solutions and performed maintenance and fixes on the module's existing applications.

Capgemini Brasil S.A. – client Banco do Brasil — **Brasília, DF**
Systems Analyst — *03/2020–04/2021*

- Took part in migrating applications from AngularJS to Angular on Banco do Brasil's internal platform.
- Developed web applications with AngularJS and Angular, using JavaScript, HTML and CSS.
- Updated and maintained internal applications, with a focus on stability and quality.

Banco do Brasil — **Brasília, DF**
IT Intern — *11/2018–03/2020*

- Maintained the PostgreSQL database and supported the development and technical documentation of programs in Java, AngularJS and VueJS.
- Updated the intranet website and supported data loading into the system.

- **SEPLAG / CODHAB (via CIEE)** **Brasília, DF**
  IT Intern *08/2018–11/2018*
  - Maintained databases and supported program documentation and the installation of networks, microcomputers and data communications.

Projects (portfolio)

- **E-commerce admin panel**: Angular 20, Angular Material, Signals, role-based interceptors and guards, per-feature lazy loading, pt-BR/en i18n.
- **Kanban board**: Angular 20, NgRx (Store, Effects, Entity), CDK Drag & Drop, optimistic updates with rollback.
- **Online store**: Next.js 16 (App Router, SSG), React 19, Zustand, checkout with React Hook Form and Zod, bilingual SEO.
- **Real-time chat**: React 19, Node.js, Socket.io with JWT, monorepo with shared typed contracts.
- All with automated tests, GitHub Actions CI and a live demo at portfolio.brunoisaac.dev.

Education

- **Faculdade Projeção** **Taguatinga, DF**
  Bachelor's Degree in Information Systems *05/2020*
  Information Technology.

Certifications

- Scrum Foundation Professional Certificate (SFPC).
- Kanban Foundation KIKF.

Languages

- Portuguese (native), English (A1 – beginner), Spanish (A1 – beginner).
